Tonya,

Thanks for this. Do you have a copy of the new, notice version or should I hit the WY website. Would like to read about the weighted buffers in a bit more detail because I'm not sure I understand.

Thanks!

Subject: WY Rec UAA update

Sara,

This is the summary I just sent to my management. Call me if there is anything you want to discuss. I'm drafting the comment letter and will send your way.

Tonya
